# Welcome

## Lady Jennifer **EKWUEME**

'Mummy Jennifer'

Executive Director

Dearest children,

What a blessing it has been to call you my children from the very first day you walked into our school. For some of you like Chikaima and Chiamanchezo, that was in Preschool. For others, you joined us in Nursery 1 or somewhere along the way. And now, here we are, nine years later, celebrating your journey, who you have become, and the amazing greatness that still lies ahead of you.

I want you to know that your life's journey has truly begun, and every step matters. Every moment, every choice, and every lesson adds up. We've done our best to prepare you, not just academically, but in the things that truly matter. We've taught and modelled Jesus to you. We've sown seeds of integrity, hard work, empathy, leadership, and resilience. You've also had the privilege of exploring life beyond the classroom.

As you move on to secondary school, life will sometimes test these values. But remember, "the roots of true achievement lie in the will to become the best that you can become".

Hold on tightly to what you have learned here, and I promise, the world will celebrate you for it. Mummy Jennifer is so proud of you and will always be cheering you on. Loudly and joyfully from wherever I am.

And don't forget, Salma is home. It always will be. You will always have a place here.

To my precious little ones who are crossing over into Grade School, we are proud of you too.

I can already tell that Grade School is about to receive a fresh dose of energy and sparkle because you're coming in. Keep shining and keep winning. Also remember "You are braver than you believe, stronger than you seem, and smarter than you think."\* - A.A. Milne

To our wonderful parents who have partnered with us in raising these bright, thoughtful children, thank you. We pray that God will keep you in good health and grant you the joy of seeing all your hopes and dreams fulfilled in your children.

We celebrate you today and always.
